Exceptional features - Makes it special and different from competitor !!!

- QR CODE printing on all Volumetric Flasks to get individual COA, Certificate of Conformity and User manual with one simple scanning.
- All AMBER Volumetric flasks are manufactured from SCHOTT make AMBER tubing and not treated by any chemicals or colors. This gives uniformity of AMBER throughout the Flask, which ensures the protection of light sensitive material.
- Provide free extra PP hexagonal shaped stopper along with each volumetric flask which prevents breakage due to toppling.
- First company to provide customized / desired printing with various colors on Glassware.
